

BOT BLOG - 7 July 2016

Welcome and congratulations to our new parent Board of Trustees representatives - Blair Young, Andrew Herriot and Judy Miller as well as our new staff rep; Aimee Keenan. I am sure they will strive to do their best to ensure that Heriot School students are given the best opportunities to reach their potential.

A huge thanks must go to our retiring board members for their huge contribution to the school - Annie Jordaan, Carol Millar, Katie Stevenson and Lloyd Brensell.

A project that has been at the board table for a while now has been completed with the removal of Room 5. Thank you to Heriot Earthmoving Ltd for completing this and ensuring it was done with as little disruption to school as possible. The upgrade to Room 2 is still being worked through and we will keep you informed as the process continues.

The board has set a strategic goal around ensuring proactive and transparent communication with school whānau and strengthening community relations. We would be very appreciative of any ideas you have for the board towards achieving this goal. Please send your ideas to the email below.

On behalf of the board I would like to wish everyone a safe and healthy winter break and look forward to seeing you in Term 3.

Kind regards
Angela McHutchon
