

HERIOT SCHOOL Board of Trustees

Monday 10th December 2018 - #5

Introducing DEBRA Hi I am Debra Roulston and I have been on the BOT for the past two years. I have enjoyed getting to know other parents on the Board and learning more about the governance of the school. Corey and I are sheep and beef farmers at Parkhill and have three children - Briar (6), Ellie (4) and Murphy (2). I have been involved with the school in various teaching positions since having children. It is truly a passion of mine and I am loving being able to be in the classroom a bit more. It's lovely getting to know the children and in turn meeting more families in the community. The current BOT is future focused and positive at moving forward to ensure the best outcomes for all of our children and I'm excited to be part of this.

Our School CHARTER

- Community Consultation

Last week you should have received an email asking you to complete the Heriot School Community Consultation 2018 survey.

The Heriot School Board of Trustees wants our school community to have ownership of the education offered to their children. We understand how crucial it is to have everyone involved in planning and making decisions to improve outcomes for our students.

If you haven't yet completed the survey, please do so—your input is highly valued and we appreciate you taking the time to share your opinions and thoughts with us. They will be carefully considered as we enter into the 2019 planning phase. Please ask at school for a paper copy if you need one.

Ian Alexander

It is with great sadness that we will farewell Mr Ian Alexander as our caretaker of 20 years at the end of this year. Ian works tirelessly to keep our school grounds tidy, swimming pool in working order and boiler running. Along with driving our school buses he also regularly donates his time as a driver to the school. We wish him and Val all the best and thank them for their huge contribution over the years.

Tailing Fundraising

Thanks to everyone who got stuck in and helped with the tailing of around 6000 lambs across 2 properties in November!

This is a great fundraiser for our school and something that is accessible for us in a rural community. We appreciate your time and also many thanks to Kelvin Black and the Bressell family that took us on this year—we hope to see you again next Spring!
