

Heriot School

Our Strategic Plan 2018

Our Strategic Goals and Aims

1

Students will know where they are at in their learning and know what their next steps are. Students will be aware of and own their achievement levels and learning progress in relation to the NZ Curriculum

- Develop a shared understanding of 'students owning their learning'
- Staff share their understanding and knowledge of requirements at each NZC level
- Develop school-wide tools and

2

We will develop a well-being programme that is linked to student learning and success

- To improve well-being outcomes for all students
- For our whole school to proactively take steps towards achieving our vision (independently and collectively)
- To have transparent and definite behaviour management procedures and

3

Continue to build professional capability and collective capacity for ongoing and sustainable improvement

- Ensure that staff, BOT and Principal are engaged in professional learning and development that increases their knowledge, skills and expertise
- For the BOT and Principal to make provisions for deep learning by focusing on one or two areas until significant gains in outcomes are made

4

Pomahaka Kāhui Ako
(Community of Learning)

Working together to empower students, develop pathways & release the potential of our

Challenge #1

- To improve hauora, achievement, engagement & motivation through effective transitions throughout the Kāhui Ako
- To improve achievement, engagement & motivation through effective oral language development

Challenge #2

- To improve achievement in writing for boys and Māori (female and male) students
- To improve achievement in mathematics for all students in Y6-10
