

EPro8 Challenge

Engineer Problem Solve Innovate

Thursday 5 July 2018

Dear Parent/Guardian

Your child has been selected to represent Heriot School as part of a EPro8 Challenge team.

The EPro8 Challenge is the interschool science and engineering competition. It is designed to give students a fun and rewarding introduction to science and engineering. At each event teams will compete with other schools in our area to try and finish a variety of interesting science and engineering based challenges

The event your child will be taking part in is at Gore Main School on Wednesday 1 August from 09:30 am to 12:30 pm.

This is one of a series of events around the Southland region, with the top teams from each event qualifying for the grand final.

We will be sending a staff member to supervise but parents are welcome to attend as well. The events are fun to watch and it is interesting watching the children try and solve problem.

Further details of the events are at www.epro8challenge.co.nz

Please complete and return the following if you are happy for your child to attend.

Thank you

Colin McHutchon

Principal/Tumuaki

Please return this permission slip to school before Friday 27 July
