Education Outside the Classroom (EOTC) Blanket Consent Form

Our school believes in using a range of environments and experiences to enhance our students' learning. We have ready access to the beach, rivers, mountains, and the bush in our area and beyond. We are also close to various built environments in our community. These areas are rich learning environments for our students both in and out of school. They need to learn how to be safe. Our school also values the concept of providing students with opportunities. Thus some of the learning for students occurs beyond the school site and this document is seeking your consent for your child/ren to participate in such learning.

This EOTC form is to cover events which occur during the course of a school day and conclude prior to approximately 6.00pm, for example, *cross country practice around Heriot, walking to and from the HDCC, excursions by bus or private vehicles to Tapanui and local schools, Gore, Invercargill or Dunedin, various sporting events such as South West Triathlon, Otago Swim Champs etc.*

Where an event involves risk exposure greater than what would typically be the case at school, such as adventurous activities or hazardous environments or the event continues overnight, specific consent will be required. At the time of our seeking any further consents you will also be asked to update the health and contact information held by school.

Details on this form will remain confidential to school staff, contractors and volunteers associated with supervising activities on EOTC events. It is crucial that you provide us with up to date information, that is accurate and complete, to allow us to plan appropriately for EOTC events.

Please note that it is very important that student details such as health information and emergency contacts are kept up to date with the office during the year.

Please ensure that all sections of this form are completed and it is returned to the school office by [xxxx](#)

Please note: the personal information being collected on this form is for the purpose of running EOTC events. It won't be used or disclosed for any other purpose except in accordance with the Privacy Act 1993.
